

# Welcoming CATHOLICS home again...

---

## Will you be the one?

There are over 64,000,000 Catholics in the United States, but a significant percentage do not attend Sunday Mass. Can you imagine what our churches would look like if even 10% of these people returned to regular Sunday Mass? How about if it were 25% or let's get a little crazy, what would happen if 50% of these Catholics returned to Sunday Mass? What if it is only one or two people rejoined our parish? What if 10 people did? Imagine how different church would be.

Many believe that the challenge is to bring people to church, but the real challenge is to bring the Church to the people. We are the Church and there are people in our community, in our neighborhoods, in our work places, in our homes who are longing to return to the Church, but they simply don't know how. There are people longing for the Eucharist but because of some past issue or hurt, they don't know how to come back. There are some people who are simply waiting for an invitation. Will you be the one to invite them back to the Church?

On **Tuesday, October 11** starting at 7pm at Blessed Trinity, **interested persons are invited to a gathering for** those who are seek a way to come home, to begin a journey back to a Catholic community, to begin a journey home to the Table of the Lord. This is a beginning gathering. Persons who are interested may come any Tuesday evening or call the parish office for a personal visit.
