

**On Sunday, February 28, nearly 75 Blessed Trinity parishioners gathered with architect Carl Posewitz to unveil the second stage of the “imagination,” in our MaintainRenewImagine parish process.**

Based on the discussion and suggestions made at the January 24 initial full parish meeting Mr. Posowitz provided a revised version of the initial ideas.

- ♦ The glass above the main entrance doors is suggested to be art glass. Discussion suggested art glass imaging the Blessed Trinity in some form.
- ♦ Redesign of the **current sacristy and reconciliation chapel** (enlarging the sacristy and reducing the size of the chapel.)

#### **OTHER AREAS OF DISCUSSION BASED ON THE DIGITAL PRESENTATION:**

##### **Location of Mary “shrine”**

Various options:

1. Northwest corner of worship space (where current doors are located);
2. In the West Window well;
3. Open panel south of window and construct “alcove” for image.
4. location of **Music Ministry**: Retain, with some adaptation, in the present location.

Remember to review the DIGITAL IMAGES presented at this gathering on the website:

**REMEMBER—WE ARE IN THE IMAGINE PHASE OF OUR PLANNING PROCESS,  
BASED ON THE SUGGESTIONS RECEIVED AND AFFIRMED IN OUR “SITE VISIT REPORT.”**

No decisions are able to me made at this time; final plans will be affirmed after an entire **process** of “imagining together “ is finished and a final goals are proposed. Those goals will necessarily include both short term needs and long term possibilities.

**Next Full Parish Gathering will be announced after Easter.**

**ALL ARE WELCOME TO PARTICIPATE!**
