

Strategic Planning Team

Meeting #9

June 8, 2016

AGENDA

Review revised digital images from Carl P.

Tonight, our task is three-fold:

1. Appoint a small group to develop a process for the presentation of the next phase of the project to the parish.
2. Question: Should we plan to have a “Liturgy 101” evening, open to all, focusing on the major aspects of the worship space, before this presentation? When should this be?
3. Schedule the parish presentation.

Set the next meeting time for this group to go over the parish presentation.
