

WHERE DO WE  
WANT TO GO  
GO FROM HERE?  
GO KNOW LIKE?

**On January 28, 2018 sixty-seven Blessed Trinity**

Parishioners participated in a Full Parish gathering to review the parish **MAINTAINRENEWIMAGINE** process. We remembered the journey thus far, noting what we have accomplished in various maintenance projects for our parish facilities. At our last full parish gathering (almost one year ago!) it was determined that we should proceed with the vision as proposed but secure a cost analysis of the proposals. That analysis took most of the summer and fall to accomplish. At the January 28th gathering we were presented with estimated costs for the entire envisioned project. The PowerPoint presentation at the gathering is available on the parish website:

[blessedtrinitymissoula.org](http://blessedtrinitymissoula.org).

In addition, a presentation was provided by the **Diocese of Helena** Development Office and Stewardship Services regarding the projected potential of our parish to raise the projected funds (that information is also available in the PowerPoint presentation on the website). Parishioners raised significant concerns regarding Blessed Trinity's ability to fund the project as proposed. Notes from the January 28th gathering are available on the parish website, [blessedtrinitymissoula.org](http://blessedtrinitymissoula.org).

We are in the process of assessing costs of "what must be done" as originally noted in the **Ken Griesmer Report** of November 2014, also available on the website.)
