“The Lord stirred up the people, so they set to work on God’s House.”

Haggai 1:4

Blessed Trinity Renovation Project UPDATE...

Worship space LIGHTING...

The lighting system is completely installed. Some adjustments to the dimming system are in the process of being accomplished.

THE ORGAN

The new organ is completed and ready for delivery, which should occur soon. The current organ will be removed at that time.

The new organ will initially be placed where the current instrument is located. It will remain there until the necessary construction can be completed to “house” the pipes, which will be located in the upper space next to the window near the current organ. As of September 20 we have received special gifts *designated specifically* for the organ in the amount of over 50% of the total cost of the new organ. **THANK YOU.**

SOUND SYSTEM

The design for a new sound system (including special “hearing assisted” devices) for both the worship space and the Social Center is complete. Costs for design, equipment and installation were recently received. Installation plans will be made soon.

CAPITAL CAMPAIGN PROGRESS

As of September 13, 2020 we have reached

70%

of our \$500,000 goal.

52%

of parishioners have participated thus far.

As of September 16 we have received

\$137,793

in cash..

THANK YOU! WE ARE MOVING FORWARD!
