Blessed Trinity Renovation Project UPDATE...

June 13/20, 2021

THE NEW WORSHIP SPACE LIGHTING SYSTEM is completely installed. Some adjustments continue to be made.

THE NEW SOUND SYSTEM, in both the worship space and social center is completely installed. Some minor adjustments continue to be made. Hearing Assistance Devices are part of the system and will be available soon for all who desire. Watch the Bulletin for details.

THE NEW ORGAN is in its temporary location. Final installation will hopefully occur soon (in the upper area “shelves” west of the north windows). Our architect, Carl Posowitz, is currently working with our Liturgical Design Consultant, Ken Griesemer, regarding the move, engineering and design of the space.

POTENTIAL SALE OF EXCESS LAND continues to be in discussion with a potential buyer/developer. Progress is ongoing and positive.

CAPITAL CAMPAIGN PROGRESS
