A NOTE FROM CATHY BURLESON...

Hi Folks,

It is time to plan for our first rotation Monday, July 19 to Monday, July 26 at the Meadowlark, located at 1800 South Third Street West.

We are trying something a little different from past rotations and the people preparing the salad/desserts have the option of preparing the food “at home” or in the “Blessed Trinity kitchen”. Please note which location in the comments field of the signups. If preparing food in the Blessed Trinity kitchen, please coordinate the time with the office, phone: 721-2405.

Also, since we are preparing a great deal of food, Blessed Trinity will shop for the ingredients if need be. Please note “need BT ingredients” in the comments field of the signups if you need us to shop for you.

Currently at the Meadowlark we are providing 30 servings of salad and dessert per day except on Sunday which is leftover day. The signups are set up in a way that there are available slots for 2 people providing 15 servings of salad each day and available slots for 2 people providing 15 servings of dessert each day. If you can prepare 30 servings of salad and/or dessert signup as 2 people. Please have all food clearly labeled and either in the Blessed Trinity refrigerator by 4pm or at the Meadowlark by 5pm the day needed.

At the Meadowlark, there is a need for 4 food servers/kitchen help from 5pm to 8pm each day. It is mandatory that we have 4 people each day Monday thru Sunday. Three people will serve food and 1 person will supervise dishes.

Also at the Meadowlark, there is a need for 1 person or a couple to overnight host each day, Monday evening to Monday morning from 8pm to 7am. Please bring your own bedding.

Peace and Blessings to you and your families,

Cathy
