

December 11, 2022 Blessed Trinity Renovation Project

UPDATE...

Honor the Past

“The Lord stirred up the people, so they set to work on God’s House.”

Haggai 1:14

Work continues outside, west of the main entrance to our building for the permanent installation of the organ.

This will include a small outside addition to the building, providing the needed space for the organ pipes to the west of the window.

The construction has been carefully planned by our architects, Paradigm Architectural firm and the company from which we secured the organ, Rollie Rutz.

AS OF THIS PAST WEEK CONCRETE WORK IS COMPLETE. FRAMING WILL BEGIN SOON.

Our contractor for the construction is JEREMIAH WENDELL, SUMMIT BUILDERS GROUP, Missoula. When completed, the next phase will be the actual installation of the organ which will be done by Mr. Rutz and his team.
